

Achievers 2026

Certificate

Based on its financial performance,

Mevea Oy

has been analysed as an Achiever in the achiever classification of Kauppalehti. Companies receiving Achiever certification are stable businesses with solid growth, good financial results and profitability, a strong financial structure and liquidity to ensure continued operation.

A comparison of these key indicators has put this company in the top tier of its own industry and the entire country for three successive years. The Continuous Achiever 2024-2026 rankings are based on financial years between June 2023 and May 2026.
